Tanglewood Tots Preschool April – Creepers, Crawlers and Fliers

Week 1 – (April 1,2) - Butterflies!! We are so excited for Spring and this week is Spring break, so we only have school on Monday and Tuesday. We will talk about the cycle of butterflies, make a butterfly to hang in our room and meet the caterpillars that we will watch grow and turn into Butterflies!!

Week 2 – (April 8-11) – Creepers and crawlers love plants and there are lots of spring plants coming! Clifford will tell us about plants, and we will plant a sunflower seed. Remind me that I need to water my seed and make sure it is in the sun. We will do a plant puzzle and mix red and blue to make the color purple, but best of all we will paint with purple grape jelly! Our letter this week is "V" for Vincent Vampire bat!! It's Show and Tell on Wednesday and Thursday.

Week 3 (April 15-18) – This week we will learn the letter "W" - Willy Weasel! Easter is on Sunday so we will talk about Easter and decorate some eggs. On Wednesday and Thursday, we will have a small Easter egg hunt. We will also continue to talk about flyers as we listen to different bird sounds and make a bird feeder. We will also do a pattern paper and learn the sight word "It". Our **Field Trip** will be on Friday, April 19th at the BR Bird Refuge in Brigham City at 1:00 where we will see lots of flyers, creepers and crawlers too!!

Week 4 – (April 22-25) – There are only a few more letters left in the alphabet for us to learn and we are on the letter "X" – Xavier Fox. This week we will talk about creepers as we sing "The Itsy Bitsy Spider" and learn the Nursery Rhythm "Little Miss Muffet" and make a spider. We will also make a Lady Bug with a stamp made from a potato and do a work sheet about Lady Bugs. Our sight word this week is "she". We will do April Birthdays this week.
