Tanglewood Tots Dr Seuss/Art Exploration

Week 1 - March 2-5 - PICTURES no class

Week 2- March 9-12

Dr Seuss is soooo much fun and we will have fun with all our rhythming words this month! We will start with reading "The Cat in the Hat" and make Thing 1 handprints to hang in our room as well as a striped hat. Stripe starts with the letter "S" so does Sammy Snake and Salt dough, "S" is our letter of the week. This month we will also be exploring art and we will start with salt dough animals after we read "If I Ran a Zoo", but we will keep them at school for our Field Trip which will be a ART SHOW! Our sight word has an "s" in it as well - "is". We have learned 4 ways of saying Thank you - in sign language, Spanish, English and German, help us practice at home too. This week is Show and Tell - if I have a favorite Dr Seuss Book I can bring it for Show and Tell!

Week 3 - March 16-19

We are on the letter T - Timothy Tiger. Our sight word for this week is "it", it has a "T" in it!! It's St Patrick's day on the 17th so we will have some fun by painting a Leprechaun beard with a fork - make sure I wear lots of Green this week, especially on the 17th. We will read "Hand, Hand, Finger, Thumb" and make a drum for our Art Show. We will also read the "ABC Book" and do a Dr Seuss paper that will be in our Art Show. Our Field Trip/Art Show will be this Friday, March 20th at Tanglewood. We will do it in the evening so my family can all come. Come anytime between 5:30 and 6:30, we will have all our art projects up to show off and I can take them all home with me. We will also have a little treat!!

Week 4 - March 23-26

The letter "U" - UMBER, Umbrella Bird, we are getting so close to the end of our alphabet! We will learn the Diamond shape and the color Gray this week too. We have had fun with Dr Seuss and this week we will read "The Foot Book", "1 Fish 2 Fish" and "Bartholew and the Oobleck". We will measure our own feet and do a 1Fish 2Fish paper. We will also make "Oobleck" - so much fun!! March has been a great month!!
